### Graduation 2016-2017

On May 25, 2016 An-Noor Quran Academy had their graduation. It was a great success. We are thankful to all parents that came out and supported our students. We congratulate the 5th grade graduates going to middle school and the 8th graduates going to high school. With this said, here are words of advice from Sr. Ghadeer and Sr. Maie.

To my wonderful 5th graders,

I was honored to have you as a class which was intelligent, talented, and had high morals. May Allah make all your dreams come true and help you represent Islam in the best way. I can see you as great leaders applying the school mission in real life. I can see you as doctors, teachers, public speaker and artist. Thank you for your hard work, your help, for sharing with me your talents and your future goals. Finally, I thank you for the many times you put a smile on my face. Keep up the good work I am so proud of you. Sister. Ghadeer

As-salamualaykum to my beloved 8<sup>th</sup> grade graduates,

Today is a graduation, a passage, a completion, an inauguration. Alhamdulillah you have met the challenge and kept the faith and commitments in both Quran memorization and academics. It's hard to believe our time has come to an end, but as you head into high school, you will learn many life lessons on your own. May Allah give you direction, purpose, and perseverance as you enter the next phase of your lives, and may Allah give you clearness of mind to move forward into the plans and purpose that He has for you.

I am very proud of you and your accomplishments. I am confident that you will continue with even more success. May Allah be with you in your next adventures.

Take a moment to look back on your achievements. Realize all that you have accomplished and the footprints that you've laid. Each step has been a building block for your life. Despite the pressure that arouse you keep working hard and keep working hard.

May Allah be with you at every step you take, guide you in each decision you make, help you when life gets rough, bless you with more than enough, protect you from any harm, hear you when you call, sooth your heart when you do not understand, and may you always be in Allah's loving Hands.

Sr. Maie Aqqad
