

April 2018 Newsletter

By: Sister Gulsangay Rashidi

Assalamu Alaikum An-Noor Parents,

Congratulations to Our Newest Hafidhah!

Alhumdulillah, we have great news!!! With Allah's mercy, Batoul Al-Zoubi, has completed the memorization of the Quran. Congratulations to Hafidhah Batoul and her parents, Sister Fatimah and Brother Khaled, for their dedication towards this noble accomplishment. May Allah (SWT) help Batoul retain, perfect, understand, implement, and teach the Quran. May Allah give her the success of Deen, the halal happiness of Duniya, and the ultimate success of the Akhirah, Jannat-ul-Firdous. Congratulations and may Allah reward all our teachers, committee members and the PTSO members for their dedication. Congratulations to the entire An-Noor family.

Hifdh News

by: Hassan Yagoub

As'Salamu Alaikum Wa Rahmatu Allaahi Wa Barakaatuh

As we come to the end of the fourth quarter, we would like to make a stern effort to remind all of our students and parents of the coming Hifdh Exam (May 14th, 2018). Being that this will be the final exam for the year, it will combine all of the Suras or Ajzaa (parts/30) by the students for this year (i.e. Old, Nearest, and New Hifdh). Therefore, preparation for this exam is absolutely imperative. Furthermore, it goes without saying that this exam will reflect the overall strength of the student's Hifdh and just how much effort he or she has made in attempting to retain what he/she has memorized. As teachers we have been trying our best to make a strong effort to improve and maintain the overall strength and quality of our students' Hifdh. To help solidify that effort, certain students will be obliged to begin their revision one week in advance to the Revision week. This additional week of revision will be determined by the student's teacher and in retrospect to the student's performance over the past school year. We ask Allaah Subhanahu Wa Ta'aala, to give all of our students success and Towfeeq in strengthening their Hifdh and growing to be amongst Ahlul Quran (the People of Quran). Wa Baarak Allahu Feekum Jamee'an.

Science Fair Projects

MashAllah, the students did a wonderful job on their science fair projects. They learned many interesting facts about their projects and were even able to connect it to Islam. The winners were as follows:

Treasures of the Quran

Congratulations to Ayesha Traore for participating in the Apex Mosque Treasures of the Quran, representing An-Noor School and winning first place! Only first place winners for the brothers and the sisters were awarded. May Allah reward our students, parents, and all of our teachers. I highly encourage all our students to participate in the IAR Ramadan Quran Competition inshaAllah.

Benefits of the Quran

An-Noor Students did a wonderful job presenting the benefits of the Quran to Al-Iman school. We are blessed this year to be collaborating with Al-Iman school to become one big family.

Our Three Winners and Light House Project Gala

MashAllah Our An-Noor Quran Academy student, Mohamed Atere did a wonderful job reciting at the OTW and LHP Gala. Jazak Allah Khair Mohammed for a job well done.
